

The Verizon logo is displayed in a large, bold, red font. It features the word "verizon" in a sans-serif typeface, with the "V" being significantly larger and more prominent than the rest of the letters. The logo is centered horizontally on the left side of the image.

Prasad Boominathan

Chennai, TN

Simple Thanks

Your accountability, consistent effort, dedication and insights in Fios URC (Base Customer) flows have all contributed to our success.
